ABOUT ENBRIDGE

Enbridge exists to fuel people's quality of life, and has done so for more than 65 years. A North American leader in delivering energy, Enbridge has been ranked on the Global 100 Most Sustainable Corporations index for the past nine years.

Enbridge operates the world's longest crude oil and liquids transportation system. We're also a North American leader in the gathering, transportation, processing and storage of natural gas, and we have an increasing involvement in power transmission.

Enbridge is Canada's largest natural gas distribution provider, with about 3.7 million retail customers in Ontario, Quebec, New Brunswick and New York State.

Enbridge has interests in nearly 3,000 MW of net renewable generation and power transmission capacity, based on projects in operation or under construction.
